Avenue Louise 279
1050 - Brussels, BELGIUM
MAY 10, 2017
SAVE THE DATE

On behalf of Greenfish and its partners WBI, Cluster Tweed, and Greenwin, we are delighted to invite you to the very first term of the **Green Mind University** on the 10th of May 2017.

This one-day event is meant to become a **dynamic forum for international and multifaceted discussions on pressing sustainability issues**, and we will continue to build upon that trend in the years to come.

The **Green Mind University** convenes speakers, professionals, innovators and academics from a variety of disciplines to **provide complementary and contrasting views on sustainability related topics** (Internet of Things, Smart Grids, Energy Efficiency, Mobility, Zero Waste, Carbon and Water Footprint, and Mindset Change).

The day of May 10 will be structured as:

- ★ Lecture course
- ★ Interactive sessions
- ★ Panel discussions
- ★ Tutoring (opportunity for participants to talk with speakers)
- ★ Cafeteria (lunch, refreshments and coffee)

Conference admission is **free of charge** and we very much hope that you are interested in participating. To register, please **fill in** and **submit** this **online form** by April 28.

You will receive a confirmation of your registration 10 days before the event together with other practical information. If we receive more applications than there is conference capacity, we may have to limit participation.

Please do not hesitate to visit our **website** to get news updates about the event (confirmed speakers, agenda, etc.).

We very much look forward to seeing you this May in Brussels!

Kind regards,

IN PARTNERSHIP WITH
